What Residents are Saying

JC.

"We had to replace the screen on our window due to the tree brushing against it. And we also needed to re-paint a slight portion of the wall where we had to remove screws. Arturo and Mario did a very great job in replacing and re-painting! It only took about 10 minutes to do both fixes and they were very polite and professional about the fix!"

Local Feature

Grandi Italiani

Our featured neighbor is Grandi Italiani in Canoga Park. Grandi is the sister restaurant of the very popular Andre's Italian Restaurant, a Los Angeles favorite for almost 59 years. In addition to the sauces and bread that we all know and love, they use imported Italian pasta and make all their sauces, soups, pizzas, salad dressing, and more!
