## What Residents are Saying

JA.

“Lived here 5+ years! The team here — from front office to maintenance—is always available to help day or night. The amenities themselves sold me on this place...the team kept me here!”

## Live Well

### High-Performance New Year

**The Vibe: Mindful Movement & Recovery**  
**Focus: Gentle Vinyasa & Tech-Free Based Wellness**

At Mira, we believe your home should be your sanctuary. This month, we're leaning into "Active Recovery" to help you smash your 2026 goals without the burnout.

#### Your Wellness Mission:

**Library Yoga:** For a peaceful, community-focused stretch, join the Woodland Hills Branch Library for their Gentle Vinyasa Yoga series every Friday morning at 10:00 AM. It's a great way to link breath to movement in a low-pressure environment.

**Trail Therapy:** Take advantage of the crisp winter air with a hike at Serrania Park. The shaded trails provide a serene escape for jogging or a mindful "tech-free" walk to reset your mental focus.

**The "Mira" Morning:** Start your day with 10 minutes of light on your balcony. Even in January, the San Fernando Valley sun provides a vital boost of Vitamin D and helps regulate your circadian rhythm for better sleep.
