Live Well

Raising the Standard of Resident Experience

Investing in the Moments That Matter to You

At Mira, bringing our absolute best to your everyday living experience is our top priority. That is why our leadership team recently gathered for an intensive, two-day hospitality and service workshop. We focused entirely on the moments that matter most to you—from making leasing tours and renewals seamless, to ensuring our maintenance follow-ups and daily communication are as helpful and friendly as possible.

Our team is incredibly excited to implement these elevated service standards right here at home, continuing our commitment to creating a warm, vibrant, and deeply connected community for all of our residents at Mira.

Pet Of The Month

Titan

Meet our Adorable Mira Pet of the Month, Titan!

At five years old, this handsome boy may look intimidating at first glance, but he is actually the biggest dork in the community. Somehow, Titan has fully convinced himself that he only weighs 10 pounds, meaning he spends most of his days happily acting like an oversized lap dog. To top it all off, he breaks all the usual canine rules by being probably the least food-motivated dog you will ever meet, preferring cuddles and affection over treats any day. We absolutely love having Titan and his goofy personality running around Mira, so be sure to give him a big hello (and maybe a spot on your lap) the next time you see him around the community!
