Looking Back

Breakfast On The GO!

Mornings made better

We loved surprising our residents with breakfast and coffee on the go — a small way to start the day right and put a few extra smiles on faces. At Mira, it's always about taking care of our community, one morning at a time.

What Residents are Saying

LF.

"Mario came same day I placed the request and replaced my water filter in a jiff! I am new to the building and everybody has been so kind and all my questions/concerns have been addressed in such a quick manner. Big shoutout to Destiny in the leasing office as well for all her help with my move in and getting everything setup within the building "
