What Residents are Saying

SM.

"Mario and Arturo are so attentive and sweet! Always there if you need anything and so kind at the same time. They truly care about whatever issue is going on and try their best to fix it! Have helped me 2-4 times now since I've moved in the last month"

Local Feature

JINYA Ramen Bar

Level up your lunch at JINYA Ramen Bar inside Topanga Social.

This isn't your average noodle stop—it's an elevated ramen experience built on a 20-hour simmered broth that's so rich and full of flavor, it's basically liquid gold. From the famous Tonkotsu Black to their creative Birria Ramen, every bowl is perfectly paired with delicate, house-made noodles. Plus, JINYA at Topanga Social features a full bar with Japanese-inspired craft cocktails, making it the ideal spot for a quick bite or a seriously satisfying date night.
